RIGHT *Up* FRONT

Something's in the air lately and we're not sure what it is. Maybe it's the new year, but never before in the history of the world have this many beautiful women wanted to take off their clothes and fuck in front of cameras! Take a look at every chick in this issue: not one clunker in the bunch! We're not into glad-handing ourselves (you know what we mean), but this is quite possibly the hottest collection of pussy, tits and ass of all time! —*The Editors*

THE NEXT GIRL NEXT DOOR

We, being professional purveyors of poon, have labeled up a sumptuous feast for you to sink your chops into. But we also retain the rights to call the shots. The conditions are simple, even for the most etiquette challenged. Forget what your mother taught you about table manners and finish what's on your plate. We want you to start with dessert first. Feast well while you're at it.

love and conculations

They say that one man's loss is another man's gain. That's the tale of my story. I'm the gain part, not the loss part. The stars lined up favorable for me that warm Southern California night. And who was I to deny them, no her, or me?

Life in Santa Monica can be quite exciting most of the time. Other times it's boring and repetitious. I had been going to the same restaurant on Pico Blvd. for several years. The food's great, but the people that came in were always interesting. I would go at different hours because my job as a private bus driver didn't really have regular hours. One night, I dropped off my last fare a few blocks away, parked the bus, and decided to get some grub. I get there at about ten when a great looking chick walks in, followed by some guy that seemed pretty upset.

It turns out they had just divorced and they were still bickering over custody of the dogs. They sat at the booth right behind me and occasionally I would get an earful of their conversation. The courts had awarded her all of them, but he wanted the two big ones. She wanted all to keep them all. I ordered dinner and they were just having beers. Not a great idea, I thought, when you're having a spat with someone. That's how things escalate very quickly – and they did here, too.

The two got so loud that the manager had to come over and tell them to cool it or get out. They slowed

down for a minute and I was able to finish my dinner in relative quiet. As I was waiting for my check, they had one last big blow up. The guy got out of the booth, came over to her side, pointed his finger at her and decided that she should walk home because he was not going to take her back. She could keep the damn dogs. He huffs out of the restaurant and I hear her quietly cursing him under her breath. I get up to pay the check, pausing at her table to ask if she's okay. I said that I was in the booth behind them and couldn't help but hear most of their conversation. She apologized for their loudness interrupting my dinner and the restaurant, too.

I introduced myself as Evan and she said her name was Joni. I gave a smile and asked how far her house was and how was she going to get home. She said she didn't know and slumped down in the booth. I asked if I could sit with her for a minute until she composed herself and she said she didn't care. I took that to mean I could and put my ass in the seat across from her. I didn't say much after first sitting down, but did notice that she was a real cutie with long hair, a sexy mouth, and huge boobs that looked like she tried to keep them tied down. Her

blouse was tight across them as they strained against the fabric. But I tried to keep my eyes up and not embarrass myself further. I tried little bits of strained conversation, cracking a terrible joke here and there.

I think I slowly wore her down and she started looking up at me more and more and laughing every once in a while. We sat for about 30 minutes when again, I offered her a ride home explaining that I was a private bus driver and my ride was right outside. I had a five a.m. call time for my next shift the next day, so I had to get going myself. Reluctantly, she accepted and we went out to my bus. As she slid into the passenger seat, her skirt slid up revealing even more leg. As we rode, we talked and I found out that she was an ex-ballet dancer, giving it up for a good paying job. I told her I was sorry I had never seen her dance. When we arrived at her house she felt secure enough to invite me in for a quick drink. As she opened the door six yapping mutts attacked her and sniffed me out. I tried to sit on the sofa as she poured two drinks. Mine was a soft drink and hers was half a glass of wine.

She told me that she just received her vet's license. We sat and talked after the dogs settled down. She confessed that she missed the freedom that dance offered. It was hard for her to maintain the rigid schedule that her vet job now demanded. She liked the audiences and constant attention on stage. I told her that I've lived in the So. Cal. area my whole life but never been to the ballet or had a lap dance. She laughed, and said I was the first guy she met that hadn't been to a gentlemen's club. I listened and watched as she poured herself a second glass. She then excused herself and went into the bedroom,

coming out a moment later with her shirt unbuttoned and her bra off. She said her boobs needed releasing. They get sore being holstered all day and started rubbing them to feel better. Then she asked if I would like to see her dance. It had been almost a year since she last did it. I would have been a fool to say no.

She moved to the middle of the room, slowly getting up on point to the beat of the music. She wore some sexy faced black panties that she played with as she pranced around the floor. "I wish I had a barre to work with." She said. I started to get a erection again as she leaned to me and bounced her breasts near my face. She looked down and noticed the bulge in my pants, and noticed me noticing her notice it.

"Don't be embarrassed," Joni cooed. "I'm flattered." I took a pillow and put it in my lap. She came over and yanked it off and backed off running her hands along her thin waist up to her boobs pushing them together. She glided over to the sofa again, and offered her boobs for me to touch. I reached up and she moved forward putting one of her nipples right into my mouth. While I was sucking on it, she unbuttoned my shirt and pulled it off, running her hands over my chest. Joni pulled back and started to remove her panties. She turned and pulled her panties all the way down. Her moves were really sexy, but I noticed a few missteps that the alcohol and time had contributed to. When she turned, she pumped her hips my way as if offering me her pussy. I couldn't help but to notice how she kept her pussy hairs trimmed to a short landing strip.

By now my cock was harder than ever and she kept

love and consolation

looking at the bulge in my pants. I reached my arms out and she came over to me. I put my hands on the cheeks of her ass and pulled her pussy to my face. She started to grind her hips as I let my tongue part her labia and slip inside her, tasting her love juices. Joni pulled back and unfastened my pants, as she pulled them off, my stiff rod sprung up. She reached down and took my cock in her hand and as she stroked it a drop of pre-cum developed on the tip. She lowered her head with her tongue out and licked it off. She slowly took the head into her mouth, working more and more of it in as she sucked. I watched as my dick disappeared into her mouth, then she lifted her head letting my cock almost all the way out only to suck it back in again. Then she backed off me and laid on the floor and pushed her boobs together.

I got up and lowered myself over her, resting my hard cock between her boobs. She grabbed it and pushed her boobs tight around it. I started fucking her boobs, letting my dick slide between them as I

ments grow faster. As I slid a finger tip into her pucker, I could feel her muscles tighten up and soon I had my finger all the way in her ass. I couldn't believe how easy it slid into her.

There we were on the floor. I was now pumping my dick into her mouth, a finger and tongue in her pussy, and a finger up her ass. As I pumped her mouth, her movements grew rapid under me I knew her time was near when she wrapped her legs around my head and squeezed. I started to pump faster and faster and she sucked harder until I unloaded in her mouth. I slowly pulled my finger out of her ass; then the others out of her pussy.

Suddenly, she stopped all her movements and got on all fours and looked back at me with big, inviting eyes. Then, I positioned myself behind her and slid my cock into her pussy from the back, letting the tip rub her love bud a few times. As I pumped, she took my balls in her hand and played with them. Then I

played with her hard nipples. I looked down at Joni as she stuck her tongue out and licked the tip of my cock every time it slid up. I pulled my cock out from between her boobs and slid myself down her body until my tongue reached her mound. She pulled her legs up so I could get to her pussy a lot easier. My tongue now found her love bud. I toyed with it letting my tongue flick over it then sucking it in between my lips. As I sucked at her pussy, I inserted my finger into her and reached my other hand around and started to probe her asshole, making her move-

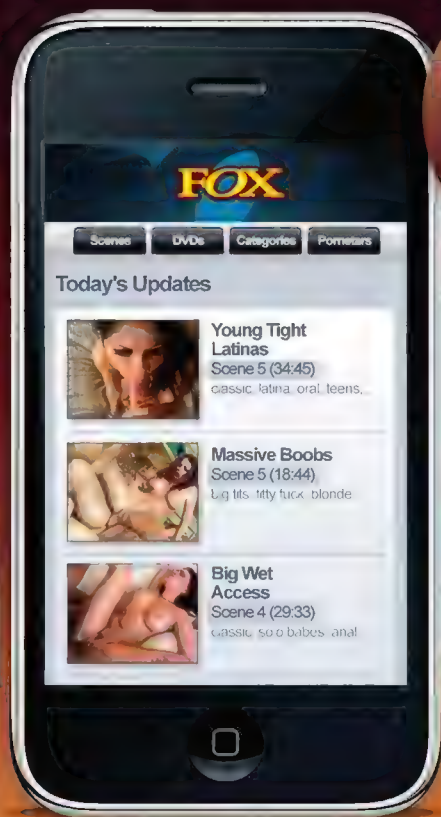

pulled my cock out and lined the head up with her asshole, the moisture from her pussy was enough to let me slide into her ass easily. She moaned as I drove deep into her butthole and started to rock to meet my pumps. She exploded in a huge orgasm and I collapsed down on top of her.

After I got off work the next day, I took my puppy to get it checked out at her clinic, even though there was nothing wrong with it. After a moment and a few hints, she remembered who I was! Woof! Woof!

THE NEXT GIRL NEXT DOOR

We bring professional photographers of pose, have labeled up a sumptuous feast for you to sink your chops into. But we also retain the rights to call the shots. The conditions are simple, even for the most etiquette challenged. Forget what your mother taught you about table manners and finish what's on your plate. We want you to start with dessert first. And feast well while you're at it. And the latest winner of our girl next door contest is...

GIRL NEXT DOOR

Karina Kay

My girlfriend sent in some pictures of me and next thing I know, I'm getting an email from their photographer asking if I wanted to pose. I told him I did, but I just had broken up with my boyfriend. He assured me I could do solo photos. I did and I loved the experience. Then I did another shoot and loved that, too. By now I was comfortable with the photo and I agreed to do more pix with a guy. Damn, was that the hottest thing EVER!

Taylor Mae

There were a couple people at the place I worked that found out I had done some sexy photos. I don't know how they did, but they did. Suddenly I was the focus of an awful lot of attention from many of the guys in the office. I tried to tell them off, but they just kept coming. Then I decided to say I liked girls. Then a few of the girls in the office started hitting on me, and the guys didn't stop. Now, I'm kinda liking the attention and have actually accepted dates from a couple guys, and one girl.

Nikki Nievez & Marissa Jayden

We think this submission is not from a girl next door. It's from her lucky boyfriend. who says he talked her into a threeway with her BFF. He did not say how he got a camera in the house to shoot it, but we're glad he did, because there's some pretty hot hardcore action going on. Thank you, Mr. Boyfriend.

I'm an IT computer programming college dropout with a lack of action with girls. You have to understand: I was on this campus with all the slinky little coeds flitting about in their skimpy skirts and tank tops... and, I just couldn't manage to get any of that prime-time pussy. Soon after, I stumbled into a little sorority pussy; and, that was a great learning experience... not to mention such a confidence boost... but, after that initial sorority pussy fiesta, I hit another dry spell. It had been a month since I had any sweet female ass.

Now, in the old days that wouldn't have bothered me a bit. I'd just choke my pocket monkey while watching some porn flick. But, since I had sampled some of that tasty sorority nectar, I had a deep down yearning to get my swizzle stick back into that fine pussy cocktail. The problem was I was at a loss for ideas; and, I chided myself for a lack of creativity. After all, I'm a programmer who can write apps, PHP, JavaScript and Perl. I mean... c'mon now... I should be able to come up with something. But, you know, my analytical skills and creativity are two different things. Granted, there's a certain creativity with coding... but, now is not the time to discuss that.

One of my favorite brainstorming activities is simply going for a walk. It's a cliché technique: but, it works. I walked myself downtown and oh God... in some ways that didn't, help matters much. In the downtown section you have oodles of college girls scamper-

an über nerd learns bridge

ing about in their denim skirts. It seems like they are having a contest to see who can wear the shortest one. One blonde... I swear... her pussy was just barely obscured by the blue fabric.

I decided to go into a little convenience store to buy a soft drink. In the store I saw a flyer on the wall advertising a club for female bridge players. Well, when I saw that, my sorority detector started tingling. I knew that bridge play-

So, I pulled a copy of my favorite porn mag from the glove compartment and admired the hot college girls inside.

ers tended to be bored co-eds. I pulled off the phone number and got on my cell phone. And, confirming what I suspected, a sorority-sounding babe answered the phone. I disguised my voice into a woman's and said I was 'Sondra' and that I was looking for a good card game. The voice on the other end told me her name Malie and she said: "Sondra, we need a fourth player for the game tonight." She told me the address and the game time. All right! I knew where three sorority pussies would be that evening, but, how to get my college dropout cock into the midst of their sorority card game?

That night, I drove towards the address and found it in the dark. The house was on my left and I saw the driveway that led to the front door. I wouldn't call it a mansion, but these sororities weren't hurting for cash. I felt my nerves beginning to fail me. That's when I have to remind myself of the stakes. So, I pulled a copy of my favorite porn mag from the glove compartment and admired the hot college girls inside. Oh yeah! I felt my cock coming to life.

This is what it's all about, I told myself... sorority pussy hunt!!!

I popped out of my car and bundled up a newspaper. I lit the newspaper and dropped it to the ground. The smoke started wafting up pretty good and I felt like I had successfully created the illusion of an overheated car quite effectively. I walked up the driveway and knocked on the door. A cute

brunette twenty-something answered the door. She was dressed in a black silk blouse and her cleavage was sitting there like the gap between two plump mounds.

"Your car!" she said pointing at my smoking ride. "Yes miss," I said, "You see, I broke down and my cell phone battery's dead. I just don't know what to do."

"Come in. You can use the phone here," she said. "I'm Malie."

I stepped into the house: one of those aristocratic type houses that had the front atrium and the paintings on the walls. Malie led me into a sitting room and my eyes nearly jumped out of my head. There were two more hot-looking sorority chicks sitting at a leather bound card table! And they were both smiling at me. I didn't take that too personally because I know that the way these rich college chick-types are... they smile at fucking everybody! Anyway, I got my nerve up and smiled right back at the two cuties.

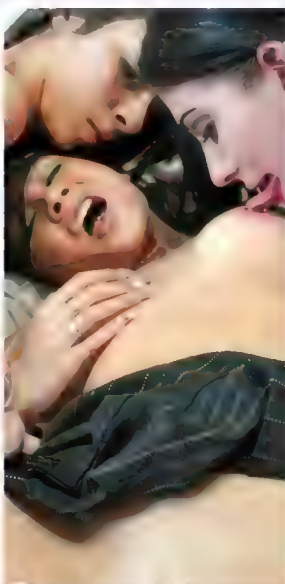

They introduce themselves as Corrie and Gracie. That somehow seemed appropriate to me. Corrie, Gracie and Malie: the three brunetee sorority bridge players! I was looking forward to it. I told them my name was Walden.

"His car broke down out front," Malie said, "And, he needs to call for help!"

"Maybe we can help?" Corrie said.

And I swear... it looked like Corrie's tongue popped out and she licked her lips. And I thought I saw Gracie's eyes travel down to my crotch. I must be seeing things, I thought to myself.

Malie led me to the phone and I pretended to call for help. I haven't really thought the plan through to this stage. I couldn't really call a tow. My car wasn't really broken. Anyway, while I was pretending to call, a hand reached from around my back and grabbed my crotch. I sort of popped in the air with surprise... and I saw it was Corrie who grabbed a handful of my semi-hard cock!

"We're short a bridge player," she said. "You wanna play bridge?"

At that, she turned and walked away. I watched her ass swivel beautifully beneath a black mini skirt. I dropped the phone and went after her. She was in the sitting room and she pulled that skirt up to her waist. She didn't have any panties on underneath. My eyes zoomed to her trimmed bush as she pulled her tank top off and let her boobs loose. Corrie laid on her back and arched herself up on her hands and feet: like that gymnast bridge.

"Come play bridge," she said.

I got between her legs and dropped to my knees and jammed my face into her fragrant brunette pussy and started lapping away at that taste of heaven. I was slurping away like a madman when I heard a little giggling. I saw that Malie and Gracie were watching from the sideline and Malie was pointing a video camcorder at us.

"Suck that pussy!" Malie yelled.

I obeyed Malie's order and traced my tongue across every contour of Corrie's lovely pussy lips.

"I'm going to come," she screamed.

I saw Malie walk up and get a close-up. Corrie started shaking like the love shack in a 7.0 earthquake.

I got between her legs and dropped to my knees and jammed my face into her fragrant blonde pussy and started lapping away at that taste of heaven.

"My turn." Malie said, pushing the bridged Corrie out of the way. Corrie tumbled to my left. And do you know what Malie did? She stripped naked and also got a into a bridge. I shoved my face into her sorority love hole and begun slurping. I looked to my right and saw that Gracie was also in a bridge. Well, what's a guy to do? I alternated between the two of them: I was a little worried that I might sprain my tongue... but I was willing to take my chances.

This muff-fiesta went on for a bit when I noticed that Corrie was perched on her hands and knees on the sofa. Her beautiful ass was pointing right at me and I admired her slit. I disengaged from the two bridged ladies and got behind Corrie. I slipped my throbbing cock into her eager pussy and we both groaned. Oh, this is what I needed! I began slowly bucking when I heard a voice behind me.

"Walden's been doing a lot of eating," Malie said, "But, were going hungry." I look back at Malie and she was licking her lips like a starving lady in front of the all-you-can-eat buffet. I eased my ramrod out it's first pussy home and the three ladies lined up before me. Then, simultaneously, they all dropped to their knees. I started with Malie who was on the far left.

I stuck my cock in her mouth and she started sucking like crazy. I pulled out and a step to my right and shoved my lollipop into Cor-

rie's mouth. This horny sorority chick sucked with even more enthusiasm than Malie. I let her get some licks in before taking a step to the right and inserting it in Gracie's mouth. This went on for a while and I was thanking God for this brunette sorority orgy.

Finally, Corrie said, "Enough of this... on your backs, ladies."

All three of them laid on their backs on the plush carpet with legs spread wide. I went down the line bucking and fucking away. I enjoyed hearing the different timbers of their moans: Gracie's were most high pitched and that made me fuck her harder. She moaned like a tortured banshee

that's been locked and abandoned in the cellar.

I'm not going to lie. The sight of all this sorority pussy getting serviced and how tightly Gracie's fuck hole was choking my tool... and all of the female moaning and screaming... well, it was too much for this über nerd to take!

My man meat started shaking. Then... 'Kapow!' my love cream started flying, covering Gracie's face and splattering against the back of Malie's head. I even grabbed my cum rifle and aimed up: allowing me to hit Corrie with a goo-bullet. I felt another orgasm pulsation welling up in me, and I yelled, "One more blast."

As soon as I said that, there was another huge explosion! But, the explosion came from outside. I ran to the window, and holy shit, my car was on fire. Flames had blasted the hood right off my car. "Holy shit," I thought to myself. The newspapers must never have fully extinguished!

Then, I felt a hand on my shoulder. I looked behind me and saw Malie, Corrie, and Gracie standing there... their trim brunette bushes fluttering in the breeze.

"I guess you're going to have to spend the night," Malie said.

"I guess I've got no choice." I said, smiling like a kid in the proverbial candy store.

I eased my ramrod out it's first pussy home and the three ladies lined up before me. Then, simultaneously, they all dropped to their knees.

...our kitty will play

I'm waiting for my girlfriend to come over. She should be here in a couple hours. That gives me just enough time to play around with my new toy and test it before she gets here. I don't really have to use it, but I especially when it's buzzing inside my pussy and she's licking my clit! Now that's a fun play date.
